DOORS MAKE THE HOUSE

The *Morgan Door* Factory
is a progressive factory

Morgan Doors are designed
and built along original
lines

There is nothing so quickly
noticed as the doors. If
the doors of the building
are *Morgan Doors* you will
immediately catch the
note of character and qual-
ity throughout

The spirit of our business
is "*Make the Best Doors
Possible*"

Applying on Door Beautiful Catalog
Seventh Edition

The prices quoted in this circular are F. O. B. Oshkosh, Wis., not crated or boxed.

In order to equalize the cost of packing the following extra charges are made:

Hardwood Doors, Fronts, $1\frac{3}{4}$ in. thick are packed three or less in a bundle.

Hardwood Doors, Interior, $1\frac{3}{8}$ in. thick are packed four or less in a bundle
 $1\frac{3}{4}$ in. three or less in a bundle.

Crating on a full bundle will weigh about 50 pounds.

Cost of Crating per bundle 3-0x7-0 and smaller extra 45c, over 3-0x7-0 extra 60c. Sizes must be such that doors can be crated together or separate bundles will be made.

Weight of Doors. Doors $1\frac{3}{8}$ in. thick will average about 50 pounds, $1\frac{3}{4}$ in. thick about 60 pounds. Front doors $1\frac{3}{4}$ in., open, about 60 pounds, glazed with bevel plate, about 90 pounds.

The above weights will vary according to size and style of door and size of plate glass.

Standard Interior Door M-54

INFORMATION

When ordering Finishing Material, after having made your selection from the colored charts, pages 47 and 48 "THE DOOR BEAUTIFUL" Catalogue, be sure to refer to page 46 and ascertain just what Finishing Material is necessary to obtain the desired effect.

For instance, some finishes call for Wood Filler and Varnish only; others call for Stain, Wood Filler and Varnish; still others call for Wax and Shellac. All of these Materials you will find priced under their respective headings, as follows:

	Page
Penetrating Stains	27
Penetrating Stains and Waxed Finishes.....	27
Acid Stains	27
Mahogany Primer	28
Patent Paste Wood Filler.....	28
Silex Liquid Wood Filler.....	28
Interior Varnish	29
Spar Exterior Varnish.....	29
Flat Varnish	29
Prepared Wax	29
Shellac	29
White Enamel	28

Example:

If it is the intention to produce Finish M-6 by referring to page 46 of "The Door Beautiful," you will notice the following materials are called for:

Bridgeport Standard R. Y. Golden Oak Penetrating Stain

Wheeler's No. 3 Wood Filler

Bridgeport Standard Wheeler's Interior Varnish

Of course, for exterior door finishes, it will be necessary to use Bridgeport Standard Wheeler's Spar Exterior Varnish instead of Interior Varnish.

We can furnish material for any other shades that may be desired. Send sample of shade that is to be matched.

PRICE LIST

MORGAN WOOD FINISHING MATERIAL

Strictly F. O. B., Chicago

BRIDGEPORT STANDARD BREINIG'S PENETRATING STAINS AND WAXED FINISHES

"These Stains are used to produce on woods various shades of mission finishes, penetrate the wood deeply, and do not raise its grain."

Will cover approximately 600 square feet, one coat to the gallon.

Made in the following shades, see pages 47 and 48 "The Door Beautiful" Catalogue.

Price Per Package for either Shade
